

CERTIFICATE OF QUALIFICATION

In accordance with the Tax Relief, Unemployment Insurance reauthorization, and Job Creation Act of 2010 (TRUIRJCA) the following HearthStone models of Bio-mass-burning stoves are qualifying products and meet the efficiency criteria set forth. The data for this

certification came from the EPA Methods 28A and 5H testing that was performed on a representative sample by a third party EPA accredited laboratory. Please talk to your tax advisor or see the tax code for specific information on how this may affect you.

CERTIFICATION STATEMENT

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
