

# Patio Oven 3.2

You'll find the Patio Oven 3.2 perfect for Sunday night with the family.

Roast a chicken, bake some bread, or grill some veggies and enjoy your dinner on the patio.

Counter Top Oven

## Free-Standing Base

Place your patio oven on the optional free-standing base to extend your outdoor kitchen without taking up valuable counter space.

## Rolling Table

The optional stainless steel multi-purpose table offers additional counter and storage space for outdoor food preparation.

## Features

---

### Ready in 20 minutes

The stainless steel baffle and a thick layer of ceramic fiber insulation retain the heat in the oven. Simply start the fire and you'll be cooking in about 20 minutes.

### Cook in compact spaces

The cooking shelf in front of the oven door gives you space to organize and check the progress of your meal.

### Ideal cooking surface

Our ovens use multiple layers of Italian made fire bricks to form the floor of the oven. These bricks are essential for crispy pizza or crusty loaves of bread.

## Dimensions

## Installation

- The oven ships ready to be installed outdoors, including the chimney and cap.
- The oven may be installed in a 3-season porch with the addition of a chimney adapter kit and additional chimney pipe. \*
- Counter top ovens may be installed on non-combustible surface using the feet included with the unit.
- Ember protection: A non-combustible floor is required in front of the oven equal to the width of the oven and extending 18" in front of the oven opening.\*
- Burn only natural firewood (known as cordwood). This oven is not designed to burn other fuels.

\* Always refer to the HearthStone Owner's Manual and the local authority having jurisdiction in your area for the specific installation requirements for your product.

\*\* Recommended maximum temperature.

# Accessories

Our full line of accessories provide tools and organization for your outdoor kitchen and offer more culinary options for both your patio oven and fire pit grill. Imagine the possibilities!

## Free-Standing Base

Place your patio oven on the optional free-standing base to extend your outdoor kitchen without taking up valuable counter space.

1. Pizza Peel
2. Ember Mover
3. Round Peel
4. Brush

## Tool Set

Our tool set gives you the implements you will need for tending the fire, baking and cleaning your oven. Add the optional tool rack to your Patio Oven base to keep everything organized.

## Tool Rack

Designed for the Patio Oven with organization in mind, the tool rack attaches to the side of the optional base.

### Apron

Keep clean while you cook in our full-length apron. The wrinkle-resistant denim-style fabric blends performance with style.

### Rib Rack

For use with the patio ovens. The rib rack allows air to flow around all sides of your ribs to add flavor and cook evenly. Stainless steel construction. Drip pan included.

### Smoker Box

Drop some wood chips in and add flavor with out a mess when cooking with gas in the Patio Oven 5.8. Stainless steel construction.

### Log Rack

For use in the patio ovens. The log rack allows air to flow under the wood to keep the fire burning. (Comes standard with the Patio Oven 5.8)

### Fabric Covers

Breathable fabric covers for each patio oven. The easy-off chimney must be removed to use this cover. Use the cinch cord and buckle straps at each corner to secure the cover in place. The front vent is lined with mesh to allow airflow. Comes in a fabric bag for easy storage.

### Grill Kit

Our grill kit turns your oven into a wood fired grill. Place hot coals in the pan and grill on the elevated rack. It's perfect for meats, veggies or any seasonal food. Pan, tongs and rack included.

### Infrared Thermometer

Take the guess work out of cooking. The infrared thermometer gives you an accurate temperature of the cooking surfaces or the food you're cooking.

Note: color may vary

### Leather Safety Gloves

Durable and dependable, our leather safety gloves are thick and protective, with a soft inner lining. Useful for both the patio ovens and fire pit grills.

### Rolling Table

This sturdy multi-purpose table can support any of our counter top patio ovens while offering additional counter space for outdoor food preparation. Convenience features include industrial casters, side handles, tool hooks, a built-in bottle opener, and a removable panel for concealing a gas tank. Stainless steel and powder coat construction matches the patio ovens.
