

The Gas Family

Waitsfield DX Model 8770

HearthStone's original classic three sided gas stove.

Features

A versatile heater

The Waitsfield DX presents a beautifully balanced fire at a wide range of operating levels. It has a 2-stage burner that let's you turn the stove up high or down low for more or less heat and light.

Easy, on-demand comfort

The Waitsfield DX includes an easy to use remote control. Turn the stove on, adjust the flame, set the room temperature, and adjust the blower to keep the room cozy.

Convective heat

The Waitsfield DX includes a cast iron heat exchanger and a built-in blower to distribute the heat around your room for comfort and lower energy costs.
